In Touch

It's Vice Presidents Day on Saturday when the Firsts take on Shipston-On-Stour at The Linney KO 3pm. We are hoping for a big crowd and a big change in fortunes.

For the record, the Firsts travelled to Stratford-Upon-Avon on Saturday and lost 38-0. For the second week on the trot the seconds failed to find enough players to field a team and are now minus ten points.

Off the field the club had a super weekend with a bumper crowd of campers and parkers which will help with funds. A big thank you to all those who volunteered and toiled in the heat to make it happen. Plenty of our guests stayed to watch the World Cup games on our new big screen and enjoy the surrounds of the newly painted clubhouse. We will be showing the Wales v Portugal game on Saturday KO 4.45pm.

There's a lunch before Saturday's game and if you've paid your VP subs then it's free although you do need to book your place with Iain Braggins (07986407985), otherwise it's £20. The bar opens at 12 noon and lunch is at 1pm. You need to have booked by Tuesday.

See you soon,
Andy Wright

President Ludlow Rugby Club
